

Schools no money to pay the Teacher
 If Mothers instead of raising their Children
 as they now do in vanity and pride
 had taken another stand. This way
 we would be much farther advanced than
 we now are. The Spirit of God would
 prompt our young men in the path of
 duty but if the young ladies will
 endeavor to carry out this Organization
 they will have a portion of the Spirit of
 God and will have an influence over our
 young men and if the Boys would
 Organize in the same way we
 would advance much faster than we
 now do. How many Mothers teach
 their Boys to pray when their Father
 is absent. Mothers if you want your
 Children to become noble men and
 Women never speak a falsehood
 watch them never let them take a
 thing that do not belong to them if
 you study them carefully you can
 mould a character that will reach to
 Heaven. President Young gave me
 a mission to instruct the sisters but
 my sisters I feel as weak as any of you
 want to have a portion of the Spirit
 of God all the time. Plurality of wives
 is a great trial if you want to sit
 in the courts of Heaven honor polygamy
 don't suffer your lips to say ought even
 if you do not believe in it when I
 entered it I had no anticipation of
 ever being acknowledged as a lawful
 wife. I believed in it because I felt

the work was true and I longed to see a prophet, I
 feel proud that I ever embraced it - Polygamy
 did not hurt me, but to be looked upon as a
 Woman of light Character that did hurt me
 the very idea of my not being a virtuous
 Woman. The young girls in this day
 have not that wish to pass through but they
 should acknowledge their Husband as the Head
 and if the Husband ruled in wisdom,
 there need be no bondage or Tyranny but
 just the opposite. If Women would
 rise in her dignity she would overlook many
 things. We are not all Organized alike.
 We do not all look alike and should use
 Charity. A Woman must be married to
 obtain a portion of the Priest hood.
 Where there are two or three Women blessing
 to one Man. He cannot spend so much
 time with the first Wife. We want true love
 that seeks true happiness. We are born in
 this dispensation to Co Operate with Men
 in Zion. We should seek to promote happiness
 do we ever feel that by doing so it brings happiness
 to ourselves. When we are sick the less we
 say about it the better it is for us never to
 tell how we feel as we speak we give the
 adversary power over us but pray to God our
 Father. We should never be discouraged if
 we have weaknesses do not let us be
 discouraged. If a Physiological
 Class meet once in two Weeks every new
 idea will be that much gained. Every
 Family should take a newspaper and
 if the Mother is a good Financier she
 can read a portion of that paper to
