

## Publication History of the Hypocephalus

Original Reuben Hedlock Engraving

1842 *Times and Seasons*

1981 Edition

1878 Salt Lake City Edition

1851 Liverpool Edition

1879 Liverpool Edition

1907 Salt Lake City Edition

1891 Salt Lake City Edition

Most Egyptological Publications

**PURPLE:** only in 1842 edition; **BLUE:** not in 1851 edition;  
**RED:** not in 1878 or 1907 edition; **GREEN:** not in 1907 edition.

While the original facsimiles of the Book of Abraham were made directly from the papyri, later copies were not and have progressively deteriorated, as illustrated here by Facsimile 2. Lines and figures that are missing from each edition are marked in color. Figures missing from the 1878 edition are also not on the 1907 edition. The illustration does not show distortions in the proportions in various editions.
