and law degrees.

- ² Includes some degrees classified as master's or doctor's degrees in later years.
- ³ Projected.

NOTE: Data in this table represent the 50 states and the District of Columbia. Data through 1994-95 are for institutions of higher education, while later data are for degree-granting institutions. Degree-granting institutions grant associate's or higher degrees and participate in Title IV federal financial aid programs. Some data have been revised from previously published figures. Projections in this table were calculated after the onset of the coronavirus pandemic and take into account the expected impacts of the pandemic. Detail may not sum to totals because of rounding.
