

take care of number one, and if it is wicked for me to try to preserve myself, I shall persist in it; for I am intending to take care of myself.

When they killed Joseph, they were talking about killing a great many others. Would you believe that the apostates say that I was the instigator of the death of Joseph and Hyrum? And William Smith has asserted that I was the cause of the death of his brother Samuel, when brother Woodruff, who is here to-day, knows that we were waiting at the *depôt* in Boston to take passage east at the very time when Joseph and Hyrum were killed. Brother Taylor was nearly killed at the time, and Doctor Richards had his whiskers nearly singed off by the blaze from the guns. In a few weeks after, Samuel Smith died, and I am blamed as the cause of his death. We did not hear of the death of Joseph until some three or four weeks after he was basely martyred.

What is now the news circulated throughout the United States? That Captain Gunnison was killed by Brigham Young, and that Babbitt was killed on the Plains by Brigham Young and his Danite band. What more? That Brigham Young has killed all the men who have died between the Missouri river and California. I do not say that President Buchanan has any such idea, or the officers of the troops who are reported to be on their way here; but such are the newspaper stories. Such reports are in the bellows, and editors and politicians are blowing them out.

According to their version, I am guilty of the death of every man, woman, and child that has died between the Missouri river and the California gold mines; and they are coming here to chastise me. The idea makes me laugh; and when do you think they will get a chance? Catching is always before hanging.

They understand, you know, that I had gone north and intended to leave this place with such as would follow me; and they are coming to declare a jubilee. It is their desire to say to the people, "You are free; you are not under the bondage of Brigham Young; you need wear his yoke no longer; now let us get drunk, fight, play at cards, and race horses; and every one of you women turn to be whores and become associated with the civilization of Christendom." That is the freedom they are endeavouring to declare here.

I will make this proposition to Uncle Sam. I will furnish carriages, horses, the best of drivers, and the best food I have, to transport to the States every man, woman, and child that wishes to leave this place, if he will send on at his own expense all those who want to come to Utah; and we will gain a thousand to their one, as all who understand the matter very well know. It would have been much better to have loaded the waggons reported to be on the way here, with men, women, and children, than with provisions to sustain soldiers; for they will never get here without we help them; neither do I think that it is the design of President Buchanan that they should come here.

I am not going to interpret dreams; for I don't profess to be such a Prophet as were Joseph Smith and Daniel; but I am a Yankee guesser; and I guess that James Buchanan has ordered this Expedition to appease the wrath of the angry hounds who are howling around him. He did not design to start men on the 15th of July to cross these Plains to this point on foot. Russell and Co. will probably make from eight to ten hundred thousand dollars by freighting the baggage of the Expedition. What would induce the Government to expend that amount of money for
