the Governor intends to withdraw the Guard, stationed here by Gen. Hardin, so soon as court is over. This, we learn, is also the impression of the officers in

debt due from the latter to the former.—
Newinbatan ligg this transfer, Stears sean is teams to take away tie corn.
The teamsters, who were all Mormon, were all arrested and brought back to the stear of the stear

WILL THEY GO?
The Lee County (Iowa) Democrat say is fully convinced that the proposa made by the Mormons to leave, is a

speers to be a part of their policy not to go and leave it unfinished. In regard their disposition to dispose of their property, we are unable to speak. We have heard of some transfers and some offers but as yet no general effort has been made their disposition to dispose of their property, we are unable to speak. We have but as yet no general effort has been made the first their speak of the general question whe there has shirt design to leave, there applies to be some difference of opinion a should be speak to be some difference of opinion a should be speaked to be some difference of opinion a should be speaked to be some difference of opinion a should be speaked to be some difference of opinion a should be speaked to be speaked to be speaked. That this Meeting deprectation of the speaked of the speaked

The Convention at Carthage was compared to the sheet spirits of mine of the control surrounding Hancock. A more and out of Cash. Winter is coming on, and we went so not loay in our supplies of the choice spirits of nine of the control surrounding Hancock. A more and we went so not loay in our supplies. Our average receipts are about three dollars per week. We wouldn't be a printer! Grand business, this—writing for glory, and printing for fun!

20. "What has become of that beautiful little newspaper, called the "Proclamation with the Sains: May do they do the? BIROWE—whose nomination was attricted few weeks since in Nauvoc, by J. B. Buckenstos, and reached its fifth unmber in about three dollars. And the many of the facts, are almost manimus in a surrounding senting which was started as few weeks since in Nauvoc, by J. B. Buckenstos, and reached its fifth unmber in about the date of the surrounding continued with a dati-Mormonoxy every essential service: we are servy, so we are, that it has been discontinued." What has been discontinued. What has been discontinued to the control of the facts, are almost manimus in their denounciations of the Mormons; and entire to prepare an address for public to appoint the following gentleman as a committee to prepare an address for public to the prepared for the same of a fallow of the crops on the control of the

ANTI-MORMON MEETING.

ANTI-MORMON MEETING.

Agreeably to previous notice given, the
drawn, the Saints will feel themselves at
liberty to plunder without reserve. It
this game is attempted, we spine that
"spring" will come before "Water russ
or given grows."

MORE STEALING.

One day last week, six Saints were detected in the act of habing away cartibelonging to Mr. E. Clark of Carthing. The
corn had been transferred to Mr. C. by
longing to Mr. E. Clark of Carthing. The
corn had been transferred to Mr. C. by
Morron small Stear, to secure a
fellow from the latter to the former—
Notwithstan fing this transfer, Stear sent
is teams to take away tise corn.
The transferre, who were all Mormons,
were all arrested and brought back to
Carthing; when, on examination, it was
some that one of them had on a pair of
dopted.

and by the Mormons to leave, is all reside together in peace, and where—that they have as yet furnished the purpose of preventing future vidence of their design to go, except it is thought advisable that the rds. They are still, it says, at work in one, "and citizens of Lee County. o longer remain together, therefore Resolved, That it is the opinion
